

Short Description:

Classical Comfortable Outdoor Workwear Softshell Jacket for Men with Waterproof Fabric

Product Introduction:

This is a classical mens outdoor workwear softshell jacket. We use classic navy blue combined with royal blue color. Low profile black reflective piping on sleeve and reflective band on front and back for safety and decoration. Inside of the collar is polar fleece, that provide a warm and comfortable touch for neck.

To keep the wind outside, there has an inner windproof flap under front zipper. It can also protect your chin when you pull the zipper to the top. On side panel of the jacket, we used 2 pieces rough material fabric. This fabric will make the jacket more durable!

To keep wind outside, we also add adjustable fabric velcro strap on cuffs and elastic string and stopper on bottom. You can adjust the tightness as you like. The jacket has 3 zipper pockets, you can put you mobile phone or wallet in it. It's very convenient and useful!
