

GL6810 Thermal Overall for Children

Short Description:

This is a thermal overall for children and the workmanship is high-frequency pressed for the fabric.

Product Introduction:

It's a high frequency pressed children overall. The shell fabric, middle polyester and back micro mesh are pressed together. This is popular in northern Europe. The contrast fabric is 300D oxford in knee to be strong enough. In order to be warmer, there is a fleece lining. The leg cuff is made by elastic binding.
